then, the person or persons authorised may each exercise any functions of the CCB delegated to them by power given under these Rules.

3.2.3 The Competition Referee may refer any matter of sufficient seriousness directly to the tribunal for determination.

4. SPIRIT OF CRICKET AND CODE OF CONDUCT

4.1 Spirit of Cricket Awards

4.1.1 The CCB will reward those Teams that are judged to have best upheld the Spirit of the Game, as contained in the Spirit of Cricket. In essence, this is respect for a team's opponents, a team's own captain, the roles of the umpires and the game's traditional values.

4.1.2 The Spirit of Cricket votes will be determined by the officiating umpires who will assess the following criteria:

- (a) Captains' role: did the captain observe their responsibility under The Preamble to ensure that play was conducted within the Spirit of the Game as well as within The Laws?
- (b) Respect: did the players demonstrate respect under The Preamble, for their opponents, their own captain and team, the role of the umpires and the game's traditional values?
- (c) Acceptance of umpires' decisions: did the players accept the umpires' decisions throughout the match? Was there any undue pressure placed on the umpires?

- 4.1.3 The officiating umpires will record points to be awarded to or deducted from each team at the end of the match, as follows:

4 points	Behaviour was very good at all times with some exceptional examples displayed. Prepared to respect and observe the true spirit of the game, even ahead of the fortunes of the team.
3 points	Good respect shown to all game participants; played in good spirit for the entire game.
2 points	Played hard but fair for the entirety of the game.
1 point	Behaviour below standard with limited respect displayed towards opponents and/or umpires.
No points	Generally negative atmosphere created.
-1 point	Awarded by CCB if player or a team is found guilty of a Code of Conduct offence.

4.2 Player Code of Conduct and Offences

- 4.2.1 The Country Cricket Board (CCB) will adopt from time to time and modify as appropriate to its Competitions the Code of Conduct published by Cricket Australia and the International Cricket Council (ICC), which contains details of undesirable conduct. The CCB Code of Conduct is set out in clause 4.2.3.
- 4.2.2 All players, umpires and officials competing in CCB Competitions, or in matches organised by the CCB are bound by and required to comply with the CCB Code of Conduct published in these Rules.
- 4.2.3 The following offences are adopted from the Cricket Australia Code of Conduct and for illustrations of the application of each, reference should be made to the guidelines that accompany the Cricket Australia Code of Conduct (reproduced in the boxed grade below each Offence below). The provisions of the Rule itself take precedence over any guidelines.

LEVEL 1 OFFENCES

- 1.1 Abuse cricket equipment or clothing, ground equipment or fixtures and fittings.

Includes actions outside the course of normal cricket actions such as hitting or kicking the wickets and actions which intentionally or negligently result in damage to the advertising boards, boundary markers or any part of or the contents or any building or structure at the ground.

- 1.2 Show dissent at an umpire's decision.

Includes excessive, obvious disappointment with an umpire's decision or with an umpire making the decision and obvious delay in resuming play or leaving the wicket.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpires' performance in their Captain's report.

1.3 Use language that is obscene, offensive or insulting and/or the making of an obscene gesture.

This includes swearing and offensive gestures which are not directed at another person such as swearing in frustration at one's own poor play or fortune.
The extent to which such behaviour is likely to give offence shall be taken into account when assessing the seriousness of the breach.

1.4 Engage in excessive or unnecessary appealing.

Excessive shall mean repeated appealing when the bowler/fielder knows the batter is not out, with the intention of placing the umpire under pressure. It is not intended to prevent loud or enthusiastic appealing. However, the practice of celebrating or assuming a dismissal before the decision has been given may also come within this Rule.

1.5 Point or gesture towards the pavilion in an aggressive manner upon the dismissal of a batter.

Includes charging or running up to the batter and "getting in his [or her] face".

1.6 Failure by a team to ensure that the condition of a ball is not changed in breach of Law 42.3.

LEVEL 2 OFFENCES

2.1 Show serious dissent at an umpire's decision.

Dissent should be classified as serious where the dissent is expressed by a specific action such as the shaking of the head, snatching cap from the umpire, pointing at pad or bat, other displays of anger or abusive language directed at the umpire or excessive delay in resuming play or leaving the crease.
This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpire's performance in their Captain's report.

2.2 Engage in inappropriate and deliberate physical contact with other players or officials.

Without limitation, players will breach this Rule if they deliberately walk or run into or shoulder another player, official or match official.

2.3 Charge or advance towards the umpire in an aggressive manner when appealing.

2.4 Deliberately and maliciously distract or obstruct another player or official on the field of play.

This is not intended to replace Law 42(4) and (5) of the Laws of Cricket.
Without limitation, players will breach this Rule if they deliberately attempt to distract a striker by words or gestures or deliberately shepherd a batter while running or attempting to run between wickets.

2.5 Throw the ball at or near a player or official in an inappropriate and/or dangerous manner.

This Rule will not prohibit a fielder or bowler from returning the ball to the stumps in the normal fashion.

2.6 Use language that is obscene, offensive or of a generally insulting nature to another player, official or spectator.

This is language or gestures which are directed at another person. See comments under Rule 1.3 above in relation to the seriousness of the breach.

2.7 Change the condition of the ball in breach of law 42.3.

Prohibited behaviour includes picking the seam or deliberately throwing the ball into the ground for the purpose of roughening it up and the application of moisture to the ball other than perspiration and saliva.

2.8 Without limiting Rule 8, attempt to manipulate a Match in regard to the result, net run rate, bonus points or otherwise. The captain of any team guilty of such conduct shall be held responsible.

Prohibited conduct under this Rule will include incidents where a team bats in such a way as to either adversely affect its own, or improve its opponent's performance points or net run rate.

LEVEL 3 OFFENCES

3.1 Intimidate or attempt to intimidate and umpire or referee whether by language or conduct.

Includes appealing in an aggressive or threatening manner.

3.2 Threaten to assault another player, Team official or spectator.

3.3 Use language or gestures that offend, insult, humiliate, threaten, disparage or vilify another person on the basis of that person's race, religion, colour, descent, sexuality or national or ethnic origin.

LEVEL 4 OFFENCES

4.1 Threaten to assault an umpire or referee.

4.2 Physically assault another player, umpire, referee, official or spectator.

4.3 Engage in any act of violence on the field of play.

4.4 Use language or gestures that seriously offends, insults, humiliates, intimidates, threatens, disparages, or vilifies another person on the basis of that person's race, religion, colour, descent, sexuality or national or ethnic origin.

LAWS OF CRICKET AND 'SPIRIT OF THE GAME'

5. Players must obey the 'Laws of Cricket' and play within the spirit of the game.

This is meant as a general Rule to deal with situations where the facts of, or gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

Conduct which will be prohibited under the Rule includes time wasting and any other conduct which is considered "unfair play" under Law 41 of the Laws of Cricket.

This Rule is not intended to punish unintentional breaches of the Laws of Cricket.

Reference may be made to any statement or explanation of the Spirit of Cricket published in conjunction with the Laws of Cricket.

Nothing in this Rule or the Code alters the onus on the captain to ensure that the Spirit of the Game is adhered to as stated and defined in the preamble to the Laws of Cricket.

UNBECOMING BEHAVIOUR

6. Without limiting any other rule, players and officials must not at any time in a cricket related situation engage in behaviour unbecoming to a player or official that could bring them or the game of cricket into disrepute or be harmful to the interests of cricket.

This is also meant as a general Rule to deal with situations where the facts of, or the gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

It is intended to include serious or repeated criminal conduct, public acts of misconduct, unruly public behaviour and cheating during play.

- 5.8.4 If only one appointed umpire is present, that umpire alone shall determine questions of fitness for play of the ground, weather and light (GWL).
- 5.8.5 Umpires are to be paid as follows:

Senior Women's Country Week		
A & B Grades	T20 (solo umpire)	\$90
A & B Grades	T20 (two umpires)	\$60 per umpire

- 5.8.6 Umpires shall award Spirit of Cricket points at the end of the match in accordance with clause 4.1.

5.9 Procedure for Handling Suspect Bowling Action

- 5.9.1 As at the date of these Rules, the following Law 24 (No Ball) contained these provisions regarding the role of the arm in a valid delivery:
 - a) For a delivery to be fair in respect of the arm the ball must not be thrown (excerpt from Law 24.2); and
 - b) A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that point until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing (Law 24.3).
- 5.9.2 In all CCB Competitions this Law is modified so that a "no-ball" will only be awarded for a breach of Law 24 if it is considered by the umpire that the bowler deliberately threw the delivery, but not because of doubt about the player's general bowling action for which the player has not received a warning under clause 5.9.3.
- 5.9.3 In the interests of the player concerned and CCB Competitions, it is permissible during a match for the umpire to warn the bowler, captain or coach that he considers the bowler's action to be unfair and if he continues to bowl his action may qualify for a "no-ball" call under Law 24, note it on the match report and advise the Competition Referee.
- 5.9.4 Separate investigation may be undertaken by the CCB, the WAC and the Association after receiving notice on the match report of a bowler's unfair arm action, or if an Association instigates its own investigation of the player's bowling action.

- 5.9.5 If the player is subsequently reported by an umpire for breach of Law 24 in respect to the arm action, the player will not be allowed to bowl in a CCB Competition until a subsequent re-assessment as per clause 5.9.4.

6. PLAYER REGISTRATION AND QUALIFICATION

6.1 Player Qualification

- 6.1.1 Players must be bona-fide country residents and have played at least one match of the current season for a country club prior to the first date of Senior Women’s Country Week.

- 6.1.6 An eligible player who currently plays or resides in a Country Association not represented in the competition may play with another country Association team upon application to the Country Cricket Coordinator who may refer any such player to the Competition Referee for approval.
- 6.1.7 An eligible player who is not required by their local Country Association team may play with another Association team providing they obtain written

permission from their local Association and there is a demonstrated need for the player to play with the other Association. A copy of the written permission with reference to the demonstrated need is provided to the Country Cricket Coordinator prior to the competition commencing.

- 6.1.8 Any player under the age of 18 on the day of the first match of the competition must obtain permission to play from the Country Cricket Coordinator.
- 6.1.9 No team may play more than two players who have played more than 50% of their current season's total matches in A grade Premier Cricket in any state in Australia; current seasons matches do not include representative competitions (e.g., Country XI matches; WA state matches). This clause does permit more than two A grade Premier Cricket players to be in a squad.

6.2 Player Registration using PlayHQ.

- 6.2.1 All Associations must register a list of players, in teams on PlayHQ, by no later than seven (7) days prior to the commencement of the first match of the competition. 6.3 Special Registrations

- 6.3.1 If an Association has entered two or more teams in the competition, and through accident, injury or any other circumstances it wishes to relegate a player or players during the qualifying matches, it shall adopt the following procedure:
 - (a) For a player to be transferred to a lower grade the Association shall apply for permission, in writing, via the Country Cricket Coordinator. They shall provide details surrounding the circumstances thereof.

6.4 Eligibility for Grand Finals

- 6.4.1 A player must play in at least two matches in the competition prior to the Grand Final to be eligible.
- 6.4.2 A player who has not played in a team in two or more matches may seek permission to play in the Grand Final via the Country Cricket Coordinator.
- 6.4.3 The Competition Referee may investigate any eligibility concerns over a player who may not have legitimately played in any match.

6.5 Penalty for Ineligible or Disqualified Players

- 6.5.1 If the CCB is satisfied that an Association has played a player that is ineligible or disqualified, the Association is liable to an infringement that may include but is not limited to a fine or loss of match points.

6.6 Player disqualification

- 6.6.1 A player that is serving a suspension or disqualification to play issued by the CCB, the Tribunal, Cricket Australia or any member association of WAC or Cricket Australia is automatically disqualified from participation in CCB Competitions for the duration of that suspension or disqualification.

- 8.1.4 A Club may have a club or sponsor's logo on their playing shirts as per following specifications, with prior approval from the CCB.

9. MATCH AND COMPETITION RESULTS

9.1 PlayHQ Team Entry

- 9.1.1 All teams are required to enter squad players into the PlayHQ match data the day prior to the start of the match in each round.

9.2 Post-match Reports

- 9.2.1 The winning team shall be responsible for the lodgement of the total match result via PlayHQ no later than 30 minutes after the match finishes.

- 9.3.2 If a bye occurs in any grade and every team does not have a bye, that grade shall be decided on percentages based on match points only.
- 9.3.3 To determine the ranking of teams otherwise equal on points, in ladder setup in the PlayHQ system, Net Run Rate (NRR) will be used.
- (a) A team's Net Run Rate is calculated by deducting from the average runs per over scored by that team throughout the competition, the average runs per over scored against that team throughout the competition.
 - (b) In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it was entitled to and not on the number of overs in which the team was dismissed.

9.4 Finals

9.4.1 Unless otherwise advised by the CCB, finals will be played:

- (a) in two rounds: semi-final and final.
- (b) fixtures will be based on team rankings in Ladders at the end of the qualifying rounds as follows:

The Semi-Final

- 1st v 4th (SF1)
- 2nd v 3rd (SF2)

The Grand Final:

- Winner SF1 v Winner SF2

9.4.2 If the final cannot be played or, if started, cannot be completed due to GWL, the teams shall be joint winners.

9.4.3 In the event of a tie, the result will be decided by a Super Over as per Appendix 1

9.5 Team of the Carnival

9.5.1 The Team of the Carnival will be determined on the following points system, to apply to both first innings:

- (a) 1 point for each run

- (e) B Grade: 1.8

9.5.2 The Team of the Carnival shall consist of five batters, one all-rounder, one wicket keeper and five bowlers.

9.5.3 Batters shall be calculated on runs made; bowlers on wickets taken; all-rounders on runs made, wickets taken and catches; and wicket keepers on catches and stumpings made. If the wicket keeper position is tied, then runs will be the deciding factor.

9.5.4 Only Players in the Association's highest graded Team shall be eligible for selection in the Team of the Carnival.

9.6 Player of the Carnival

- 9.6.1 The Player of the Carnival shall be awarded to the most outstanding Player in Senior Women’s Country Week.
- 9.6.2 A selection panel of 3 shall be chosen by the CCB who will determine the outstanding Player of the Competition.
- 9.6.3 A Player must be playing the Association’s first team to be eligible.
- 9.6.4 Performances in qualifying rounds and finals will be taken into consideration.
- 9.6.5 The selection panel is to consider the impact of a Player’s performance in impacting the results of matches or the impact of a Player’s contributions in a losing team.
- 9.6.6 The decision is not to be based solely on the points system in clause 9.5.1, but may be at the discretion of the aforementioned Selection panel as chosen in clause 9.6.2.

9.7 Player of the Grand Final

- 9.7.1 The Player of the Grand Final shall be awarded to the most outstanding Player in both the Senior Women’s A Grade and Senior Women’s B Grade Grand Finals.

10. POLICIES AND PROCEDURES

10.1 Consumption of Alcohol Policy

- 10.1.1 Associations should follow the Liquor Licensing legislation requirements for Responsible Service of Alcohol, even if it is not directly binding on them or in certain unlicensed parts of their premises, such as changing rooms. In particular, Associations should ensure that alcohol is not provided to under-age players and patrons. Where possible, alcohol should be consumed so that players, spectators and officials can consume in a licensed area and not in player change-rooms.

10.2 Smoke Free Environment Policy

- 10.2.1 The CCB recognises that smoke free environments protect non-smokers from the harmful effects of environmental tobacco smoke (ETS). The CCB will enforce that all indoor areas and outdoor viewing areas at CCB venues are smoke-free and that all official events are smoke-free.

10.3 Extreme Weather Policy

10.3.1 The CCB refers Associations to guidelines in relevant documents, such as the Cricket Australia Junior Cricket policy documents.

10.3.2 In the event of forecasted Extreme Weather Conditions, the Competition Referee will use the following tools to determine necessary changes to playing conditions:

10.3.2.1 Heat Stress Risk Index (HSRI) tool

Applicable to adult participants, the HSRI tool requires the following key values, which will be sourced from the Bureau of Meteorology (BOM) website, for the applicable playing day:

- (a) Air temperature in the shade (oC)
- (b) Wind Speed (km/h)
- (c) Relative humidity (%)
- (d) Sun exposure (clear sky, partly cloudy, overcast or night)

10.3.2.2 Modifications to Playing Conditions due to Extreme Weather

At the discretion of the Competition Referee, the following adjustments to the playing conditions may be implemented, based on the HSRI tool rating:

- (a) Earlier match start time
- (b) Additional drinks breaks (may be taken off the field)
- (c) Free interchange of substitute fielders
- (d) Reduction in overs
- (e) Game cancellation

10.3.2.3 The Competition Referee will advise any changes to playing conditions as required under rule 10.3.2.2 before 8.00pm on the day prior to the games. Changes to playing conditions will apply to ALL competition fixtures, in every section.

The additional rules in thunderstorm situations are as follows:

- (a) If the 'flash to bang' time (the time between the lightning and thunder) is less than 30 seconds leave the field and seek appropriate shelter immediately.
- (b) Only consider the resumption of play and do not venture outside until there has been a gap of 30 minutes from the last clap of thunder.

These general considerations apply to CCB Competitions:

- (a) There is imminent danger of a lightning strike if you feel your hair standing on end, there is crackling in the air, you see lightning in the clouds or the flash to bang time is 20 seconds or less.
- (b) Go indoors immediately if you see lightning strike the ground or structure nearby.
- (c) Do not waste time covering the pitch, go near or move metal framed pitch covers or machinery, bunch together as you leave the field or shelter under a tree.
- (d) Consider resuming play 30 minutes after the last thunderclap but if in doubt stay indoors and do not leave shelter to inspect the ground.

10.4 Helmet Policy

- 10.4.1 A batter must wear a British Standard 7928:2013 compliant helmet at all times when batting against fast or medium-paced bowling.
- 10.4.2 The umpire(s) are the sole judge of whether bowling is fast or medium-paced and will judge the pace of bowling against what is considered “fast”, “medium-paced” or “slow” within the context of that particular match.
- 10.4.3 The wicketkeeper standing either up to, or back from the stumps must not be the deciding factor in this decision.
- 10.4.4 The umpire(s) are responsible for ensuring that a helmet is worn when required by clause 10.4.1 but are not responsible for ensuring that the helmet being worn by the batter is compliant with British Standard 7928:2013.
- 10.4.5 The umpire(s) must not allow the match to continue during any period in which a batter fails to wear a helmet when required by this clause.
- 10.4.6 After the fall of a wicket or the retirement of a batter, the incoming batter must, unless Time has been called, be in a position to take guard, or for the other batter to be ready to receive the next ball within 3 minutes of the dismissal or retirement and be wearing a British Standard 7928:2013 compliant helmet as required by clause 10.4.1.
- 10.4.7 If this requirement is not met the umpires(s)/Team Captains are to direct the batter to comply with clause 10.4.1.
- 10.4.8 If, having entered the field of play not wearing a helmet, a batter leaves the field in order to comply with clause 10.4.1, there shall be no loss of time/overs to the match solely due to this delay.
- 10.4.9 If a batter does not to comply with this direction:
 - (a) The umpire shall call time, if necessary
 - (b) The umpires shall summon and inform the offending players captain of his/her refusal to comply with clause.
 - (c) The umpire shall award 5 penalty runs to the fielding team.
- 10.4.10 The umpires together shall report the occurrence as soon as possible after the match to the CCB, who shall take such further action against the player, the captain, any other individuals concerned and, if appropriate, the team.
- 10.4.11 If after the action in clause 10.4.7 the batter continues to not comply with clause, then:
 - (a) The batter will be given out, Timed Out
 - (b) In the event of a Timed-Out dismissal, the bowler does not get credit for the wicket.
- 10.4.12 In the event of an extended delay in which either no batter comes to the wicket wearing a British Standard 7928:2013 compliant helmet or a batter fails to wear a British Standard 7928:2013 compliant helmet and also fails to leave the wicket having been given out in accordance with clause 10.4.12, the umpires shall adopt the procedure of Law 16.3 (Umpire(s) awarding a match). For the purposes of that Law the start of the action shall be taken at end of clause 10.4.11.

- 10.4.13 The umpires shall report the occurrence of clause 10.4.12 to the CCB.
- 10.4.14 For the purpose of this law no time/overs shall be lost to the game after the completion of any of the actions described in Clauses 10.4.8 to 10.4.11.

APPENDIX 2 – SUPER OVER

- A. The Super Over shall commence 10 minutes after the cessation of the match, at the same ground. The interval between innings shall be 5 minutes.
- B. 30 minutes of extra time (taken from the start of the Super Over) is allocated to complete the Super Over. Should play be delayed prior to or during the Super Over, once the playing time lost exceeds the 30 minutes, the Super Over shall be abandoned.
- C. The Super Over will take place on the pitch allocated for the match.
- D. The umpires shall stand at the same end as they stood during the match.
- E. In both innings of the Super Over, the fielding side shall choose which end to bowl from. Once the opening batting pair enters the field of play they are not permitted to be changed. Similarly, once a determination is made by the bowling side as to which end they will bowl from and the opening batters take their respective positions at each end of the pitch, they are not permitted to change ends. For clarity, this playing condition is designed to ensure that the fielding side may determine its bowling strategies based on which batters are opening, and then the batters can choose ends based on the bowling strategies.
- F. Only the starting 11 players for each team may participate in the Super Over. Should any player be unable to continue to participate in the Super Over due to injury, illness or other wholly acceptable reasons, the Laws and Playing Conditions of the main match shall apply.
- G. Each team's over is played with the same fielding restrictions as apply for the last over in the match.
- H. The team batting second in the match will bat first in the Super Over.
- I. The same ball used at the end of each team's innings in the match, or a similar ball if that ball is unsuitable for any reason, shall be used for its innings in the Super Over.
- J. Each team shall bat for one over unless all out earlier.
- K. In the event of the teams having the same score after the Super Over has been completed, if the original match was a tie under the Duckworth/Lewis method, playing condition (M below immediately applies. Otherwise, the team whose batters hit the most number of boundaries combined from its two innings in both the main match and the Super Over shall be the winner.
- L. If the number of boundaries hit by both teams is equal the team whose batters scored more boundaries during its innings in the main match (ignoring the Super Over) shall be the winner.
- M. If still equal, a count-back from the final ball of the Super Over shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses all

wickets during its over, then any un-bowled deliveries will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e. including any runs resulting from a Wide ball, a No ball or penalty runs.

N. Example:

In this example both teams scored an equal number of runs from the 6th and 5th balls of their Super Over. However, Team 1 scored two runs from its 4th ball while Team 2 scored one run, so Team 1 is in the winner.

Runs scored from:	Team 1	Team 2
Ball 6	1	1
Ball 5	4	4
Ball 4	2	1
Ball 3	6	2
Ball 2	0	1
Ball 1	2	6

- O. If, for reasons of ground, weather and light, a Super Over cannot commence within 30 minutes of the cessation time of the main match then the team that hit the most number of boundaries (fours and sixes) in the match shall be declared the winner. If the result is still a Tie the match will be determined by a coin toss, except in the Grand Final where joint winners will be declared.
