- 2.2 Law 2.2 is modified as follows: The captains cannot authorise the replacement umpire to stand at the bowler's end.

- (b) If a shadow from a fielder falls across the striker's half of the pitch, the fielder must remain stationary from the time the bowler commences his run up until the striker has received the ball. In the event of a fielder moving before the striker receives the ball, the umpire shall call and signal "dead ball" if he/she considers the striker has been disadvantaged by the action.

3. THE SCORERS

Law 3 shall apply, subject to the following:

- 3.1 Law 3.1 is modified as follows: At least one person not involved in the match should be appointed scorer for the match, but where this is not possible, and players are required to score, the team's captain and Association officials are to supervise the recording of the score in the scorebooks.

- 4.3 Law 4.3 shall be replaced with the following: A new ball must be used in the first innings of both sides in the match
- 4.4 Law 4.5 shall apply with the following appendage: In the event of a ball becoming wet and soggy as a result of play continuing during inclement weather or it being affected by dew, and in the opinion of the umpires the ball becomes unfit for play, the ball shall be replaced with a ball that has had a similar amount of wear. Either bowler or batsmen may raise the matter with the umpires and the umpires' decision as to a replacement or otherwise will be final.

5. THE BAT

Law 5 shall apply.

6. THE PITCH

- 7.2 To assist with the adjudication of Wides, lines shall be drawn (in white or blue which are the same width as the crease markings) from the popping crease to the bowling crease, parallel with the return crease, measured 17 inches (43.18cm) from the return crease on both sides of the wicket, hereby referred to as “Off-Side Wide Guidelines”.

- 11.1 If the innings of the team batting first is completed before the scheduled time for the interval, the interval shall take place immediately and the innings of the team batting second will commence correspondingly earlier.
- 11.2 The interval between innings will be 30 minutes, but the length of the interval will be reduced to a 20-minute interval if more than 60 minutes of playing time are lost.
- 11.3 The provisions of Law 11.8 (Intervals for drinks) apply except that under conditions of extreme heat the umpires may permit extra intervals for drinks. Drinks breaks may be taken by agreement of the captains (or in the case of the batting side, the batters at the wicket), but each drinks break shall not exceed 4 minutes.
- 11.4 Laws 11.2.2, 11.3, 11.5, 11.6 and 11.7 shall not apply.
- 11.5 Law 11.9 shall apply but for only the purpose of the drinks break. Any other intervals shall not be altered.

12. START OF PLAY, CESSATION OF PLAY

Law 12 shall apply, subject to the following:

1.45pm – 5.00pm	Session 2

- 12.2 At 1.15pm the number of overs bowled by the team bowling first shall be noted. The balance of allowable overs shall then be delivered. In addition, a penalty of 6 runs per over will be awarded to the batting side.
- 12.3 The team bowling second, regardless of the starting time, has 195 minutes to bowl the 300 balls required. If they do not complete the balls within the required time a penalty of 6 runs per over still to be bowled applies.
- 12.4 Laws 12.9, 12.10 and 12.11 shall apply in so far as they are relevant to a one innings limited overs type match.
- 12.5 In a match where no more than 30 minutes of playing time is lost due to GWL or for other wholly acceptable reasons that are no fault of either team, then that same amount of time shall be added to the scheduled close of play.
- 12.6 In a match where there is an interruption of more than 30 minutes of play due to GWL or for other wholly acceptable reasons that are no fault of either team, the Required Balls will be reduced by 6 balls for every 3 minutes or part thereof of playing time lost.
- 12.7 Where play is interrupted for a total period of more than 30 minutes in the batting period of either or both teams then use the method in Appendix 1 to calculate a target score.

- 12.8 In matches that are reduced in length due to GWL or for other wholly acceptable reasons that are no fault of either team additional incentive points will be awarded as per Appendix 2.

PART B: INNINGS AND RESULT

13. INNINGS

Law 13 shall apply, subject to the following:

- 13.1 Law 13.1 shall be replaced by the following: All matches shall consist of one innings per side, each innings being limited to a maximum of 50 overs. All matches shall be of one day's scheduled duration.
- 13.2 Law 13.2 (Alternate innings) shall not apply.
- 13.3 Laws 13.3.3 (Declaration), 13.3.4 (Forfeit) and 13.3.5 (Prescribed time) shall not apply.
- 13.4 Law 13.4 shall be replaced with the following: the captains shall toss for the choice of innings on the field of play in the presence of one or both umpires not earlier than 45 minutes, nor later than 15 minutes, before the scheduled or any rescheduled time for the match to start. Law 13.5 shall apply (notification of decision to bat or bowl).
- 13.5 Uninterrupted Matches
- (a) Each team shall bat for 50 overs unless all out earlier or a result is achieved. A team shall not be permitted to declare its innings closed.
 - (b) If the team fielding first fails to bowl the required number of overs by the scheduled time for cessation of the first innings, play shall continue until the required number of overs has been bowled. The team batting second shall receive its full quota of 50 overs irrespective of the number of overs it bowled in the scheduled time for the cessation of the first innings.
 - (c) If the team batting first is dismissed in less than 50 overs the team batting second shall be entitled to bat for 50 overs.
 - (d) If the team fielding second fails to bowl 50 overs by the scheduled cessation time, the hours of play shall be extended until the required number of overs has been bowled or a result is achieved.
 - (e) Penalties shall apply for slow over rates – per playing condition 13.10.
- 13.6 Delayed or Interrupted Matches
- (a) Delay or interruption to innings of team batting first
 - (i) When playing time has been lost the revised number of overs to be bowled in the match shall be based on the rate of 15.38 overs per hour in the total remaining time available for play.
 - (ii) The revision of the number of overs should ensure, whenever possible, that both teams have the opportunity of batting for the same number of overs. The team batting second shall not bat for a greater number of overs than the

first team unless the latter completed its innings in less than its allocated overs.

- (iii) A fixed time will be specified for the commencement of the interval, and also the close of play for the match, by applying the over rate per hour as defined in (i) above. When calculating the length of playing time available for the match (otherwise known as Remaining Playing Time), or the length of innings, the timing and duration of all relative delays, extensions in playing hours, interruptions in play, and intervals, excluding those for drinks, will be taken into consideration. This calculation must not cause the match to finish earlier than the original time for cessation of play. If required, the original time shall be extended to allow for one extra over per team. To constitute a match, a minimum of 25 overs must be bowled to the side batting second, subject to a result not being achieved earlier.
 - (iv) Remaining Playing Time does not include the time of the interval as calculated per playing condition 11.2.
 - (v) If the team fielding first fails to bowl the revised number of overs by the specified time for the interval, play shall continue until the required number of overs have been bowled or the innings is completed.
 - (vi) Should calculations regarding numbers of overs result in a fraction of an over, the fraction shall be ignored.
 - (vii) Penalties shall apply for slow over-rates – per playing condition 13.10.
 - (viii) The umpires shall calculate all details when an interruption or delay occurs to the first innings of the match by using the calculation sheet in Appendix 1.
- (b) Delay or interruption to innings of team batting second
- (i) When playing time has been lost and, as a result, it is not possible for the team batting second to have the opportunity of receiving its allocated, or revised allocation of overs in the playing time available, the number of overs shall be reduced at a rate of 15.38 overs per hour in respect of the lost playing time. Should the calculations result in a fraction of an over the fraction shall be ignored.
 - (ii) In addition, should the innings of the team batting first have been completed prior to the scheduled, or re-scheduled time for the commencement of the interval, then the Remaining Playing Time shall take into account the time by which the second innings started early.
 - (iii) To constitute a match, a minimum of 25 overs have to be bowled to the team batting second subject to a result not being achieved earlier.
 - (iv) The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs.
 - (v) A fixed time will be specified for the close of play by applying a rate of 15.38 overs per hour. The timing and duration of all relative delays, extensions in playing hours and interruptions in play, will be taken into consideration in specifying this time.

- (vi) If the team fielding second fails to bowl the revised overs by the scheduled or re-scheduled close of play, the hours of play shall be extended until the overs have been bowled or a result achieved.
- (vii) Penalties shall apply for slow over rates – per playing condition 13.10.
- (viii) The umpires shall calculate all details when an interruption or delay occurs to the second innings of the match by using the calculation sheet in Appendix 2.

- 13.7 No bowler shall bowl more than 10 overs in an innings. In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs are not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance. Bowlers shall also be allowed to complete the remaining deliveries in any incomplete over.
- 13.8 In the event of a bowler breaking down or being suspended and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler’s limit is concerned.
- 13.9 The umpire shall record the total number of overs bowled and the number of overs bowled by each bowler.
- 13.10 Unless determined otherwise by the umpires, a penalty of six runs per over shall be awarded to the batting side for each over short of the required number at the scheduled, or rescheduled, cessation time for the innings. The over in progress at the cessation time shall count as a complete over prior to penalties being applied. This penalty will be applied at the completion of the innings.
- 13.11 The umpires of the match shall keep a full record of all allowances given and provide continual feedback throughout the innings where possible, to both captains, of the overs the innings is behind subject to playing condition 13.10.

14. THE FOLLOW-ON

Law 14 shall not apply.

15. DECLARATION AND FORFEITURE

Law 15 shall apply, subject to the following:

- 15.1 The side batting first will be deemed to declare its first innings closed upon facing the Required Balls.

16. THE RESULT

Law 16 shall apply, subject to the following:

- 16.1 Law 16.1 and 16.4 (agreement under Law 13.1.2) shall not apply.
- 16.2 Law 16.2 shall apply in addition to the following:

- (a) A result can be achieved only if both sides have had the opportunity of batting for at least 25 overs, unless one side has been all out in less than 25 overs or unless the team batting second scores enough runs to win in less than 25 overs.
- (b) All matches in which both teams have not had an opportunity of batting for a minimum of 25 overs, shall be declared a Draw.

The umpires shall refer to Appendix 3 for the latest possible times to start a match.

16.3 Law 16.5.1 shall apply in addition to the following:

- (a) In matches in which both sides have had the opportunity of batting for the agreed number of overs, the side scoring the higher number of runs shall be the winner.

If the scores are equal, the result shall be a Tie, and no account shall be taken of the number of wickets which have fallen.
- (b) In a Finals match, if the scores are equal the result shall be a Tie with the side finishing higher on the ladder being declared the winner.

16.4 Interrupted or Prematurely Terminated Matches - Calculation of the Target Score

- (a) Interrupted Matches - Calculation of the Target Score

If, due to suspension of play after the start of the match, the number of overs in the innings of either side has to be revised to a lesser number than originally allotted (50 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing.

This revised target is to be calculated using the current Duckworth/Lewis method. The target set will always be a whole number, and one run less will constitute a Tie.

- (b) Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 25 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the D/L Par Score determined at the instant of the suspension by the Duckworth/Lewis method. If the score is equal to the par score, the match is a Tie.

Otherwise, the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

16.5 For the purpose of the ladder and ranking for Finals, sides may be awarded points for each of the following outcomes:

- (a) A draw in one day cricket will be given the same points as a tie given the match cannot be replayed.

Result	Result points
Win	6
Loss	0
Draw (abandonment) / Tie	3

PART C: THE OVER, SCORING RUNS, DEAD BALL AND EXTRAS

17. THE OVER

Law 17 shall apply.

18. SCORING RUNS

Law 18 shall apply.

18.1 Law 18.6 shall apply with the following appendage: Penalty runs for slow over rates per playing condition 13.10 above shall also apply.

19. BOUNDARIES

Law 19 shall apply.

20. DEAD BALL

Law 20 shall apply.

21. NO BALL

Law 21.15 (Penalty for a No Ball) shall be amended by adding the following:

21.1 Free hit after a No Ball

- (a) The delivery after a No Ball shall be a free hit for whichever batter is facing it.
- (b) If the delivery for the free hit is not a legitimate delivery (any kind of No Ball or Wide Ball) then the next delivery will become a free hit for whichever batter is facing it.
- (c) For any free hit, the striker can be dismissed only under the circumstances that apply for a No Ball, even if the delivery for the free hit is called Wide Ball.
- (d) Field changes are not permitted for free hit deliveries unless there is a change of striker. Note however 21.2 below.
- (e) The bowler's end umpire will signal a free hit (after the normal No Ball signal) by extending one arm straight upwards and moving it in a circular motion.

21.2 If an umpire calls and signals "No Ball" because of an infringement of playing condition 28.1, the captain of the fielding side may only move the needed minimum of fielders from the restriction to any place on the field of play where the restriction does not apply. The captain of the fielding side however cannot use this playing condition to move other fielders that did not cause the infringement.

E.g. If two fielders have caused the infringement, being outside the Fielding Restriction Area, both fielders can be moved to within the Fielding Restriction Area (deep mid-wicket to short cover, fine leg to slip). A third fielder at mid-off however cannot be moved to another position, such as mid-on.

21.3 Law 21.10 shall not apply.

22. WIDE BALL

Law 22.1 (Judging a wide) shall be amended by the following:

- 22.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definitions in playing condition 22.2:
- (a) the ball passes wide of where the striker is standing in a normal batting position, and which also would have passed wide of where the striker has stood at any point after the ball came into play for that delivery.
 - (b) the ball passes above the head height of the striker standing upright at the popping crease.
- 22.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him/her to be able to hit it with the bat by means of a normal cricket stroke.
- 22.3 A delivery passing the striker on the offside outside the Offside Wide Guideline shall be a Wide provided he/she maintains a normal batting position and has not brought the ball within reach. If, in the opinion of the umpire, the striker has brought the ball within reach, the Offside Wide Guideline shall be disregarded, and the umpire shall apply a general interpretation consistent with the normal operation of Law 22. Should the ball be outside the return crease on the offside, the ball shall be deemed a wide regardless of the batter's movements or positioning.
- 22.4 A delivery passing the striker's stumps on the leg side without any contact with the striker's bat or person shall be a Wide unless:
- (a) the ball passes between the striker and the stumps.
 - (b) the striker moves toward the offside and, in the umpire's opinion, the ball would have made contact with the striker in a normal batting position.
 - (c) the striker is attempting to play, or has aborted an attempt to play, a reverse sweep or switch hit. In this scenario only a delivery passing the striker outside the Off Side Wide Guideline on the leg side shall be a Wide.

23. BYE AND LEG BYE

Law 23 shall apply.

PART D: FIELDERS AND SUBSTITUTES, BATSMEN AND RUNNERS, PRACTICE ON THE FIELD, WICKET-KEEPER

24. FIELDER'S ABSENCE; SUBSTITUTES

Law 24 shall apply.

25. BATTER'S INNINGS; RUNNERS

Law 25 shall apply.

26. PRACTICE ON THE FIELD

Law 26 shall apply.

27. THE WICKET-KEEPER

Law 27 shall apply.

28. THE FIELDER

Law 28 shall apply, subject to the following:

- 28.1 The ground shall be marked with a single fielding restriction area (Fielding Restriction Area) as follows:
- (a) Two semi-circles are drawn on the field of play, with their semi-circles centred on the middle stump of each end of the pitch.
 - (b) The radius of each of the semi-circles is 27.43 metres (30 yards).
 - (c) The ends of each semi-circle are joined to the other end on the same side of the pitch by a straight line drawn on the field.

28.2 The following fielding restrictions shall apply at the instant of delivery:

- (a) There may not be more than 5 fielders on the leg side.
- (b) PowerPlay 1: During Overs 1-10 no more than two (2) fielders shall be permitted to be outside the fielding restriction area as depicted in playing condition 28.1. No stationary catchers are required.
- (c) PowerPlay 2: During Overs 11-40 no more than four (4) fielders shall be permitted to be outside the fielding restriction area as depicted in playing condition 28.1. No stationary catchers are required.
- (d) PowerPlay 3: During Overs 41-50 no more than five (5) fielders shall be permitted to be outside the fielding restriction areas as depicted in playing condition 28.1. No stationary catchers are required. In the event of an infringement of any of the above fielding restrictions, either umpire shall call and signal "No Ball". See also playing condition **Error! Reference source not found.**

28.3 In circumstances when the number of overs of the batting team is reduced, the number of overs within each phase of the innings shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the first & second innings of the match.

Law 41 shall apply, subject to the following:

- 41.1 Law 41.6 (Bowling of Dangerous and Unfair Short Pitched Deliveries) shall be replaced by the following:
- (a) A bowler shall be limited to two fast short pitched deliveries per over.
 - (b) A fast short pitched delivery is defined as a ball, which after pitching, passes or would have passed above the shoulder height of the striker standing upright at the crease.
 - (c) The umpire at the bowler's end shall advise the bowler and the batter on strike when each fast short pitched delivery has been bowled.
 - (d) In addition, for the purpose of this playing condition and subject to playing condition (f) below, a ball that passes above head height of the batter, that prevents him/her from being able to hit it with his bat by means of a normal cricket stroke shall be called a Wide.
 - (e) For the avoidance of doubt any fast short pitched delivery that is called a Wide under this playing condition shall also count as one of the allowable short pitched deliveries in that over.
 - (f) In the event of a bowler bowling more than two fast short pitched deliveries in an over as defined in playing condition (b) above, the umpire at the bowler's end shall call and signal "No Ball" on each occasion. A differential signal shall be used to signify a fast short pitched delivery. The umpire shall call and signal "No Ball" and then tap the head with the other hand.
 - (g) If a bowler delivers another fast short pitched ball in an over, the umpire, after the call of "No Ball" and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.

SPIRIT OF CRICKET

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket:

- Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.
